

Date: 12 /02/2026

Dear Ankit Kumar
S/O Rambilash Roy
Vill – Hario Bhagalpur
Bihar - 812006

We are thrilled to extend an invitation for you to join The Contractum as an intern in our Software Web Development Internship Program. This program is designed to provide hands-on experience and mentorship in the field of software development live projects, with a focus on web technologies. We believe that your passion for learning and dedication will make a valuable contribution to our team.

Internship Details:

- **Position:** Software Web Development Project Intern
- **Duration:** 01 January 2026 – 30 June 2026

Program Overview

Our internship program is structured to provide interns with practical experience and the opportunity to develop skills in software web development through live projects. Interns will receive a monthly compensation of INR 5,000, based on performance.

Exceptional performance may also lead to future employment opportunities, subject to demonstrated abilities and company requirements.

Key Components

1. **Mode of Internship:** The internship will be conducted in **offline mode**, requiring your physical presence at the workplace to encourage hands-on learning, real-time collaboration with the team, and direct interaction with mentors and trainers.
2. **Mentorship:** You will be paired with an experienced mentor who will guide you through various projects and provide feedback on your work.
3. **Training:** You will have access to trainers, guidance, and digital resources to enhance your understanding of web development technologies, including HTML, React, Tailwind CSS, Node.js, Express.js, MongoDB, and SQL. You will also receive training to prepare the drafting of the web portal.
4. **Hands-on Projects:** Work on real-world projects under mentor supervision to gain practical experience.

5. **Collaboration:** Collaborate with team members, fostering a supportive learning environment and exposure to industry-standard practices.
6. **Performance Evaluation:** Regular evaluation with feedback to support improvement and growth.
7. **Potential for Employment:** Exceptional interns may be considered for future employment opportunities depending on performance and business needs.

Expectations

Diligence: Professional conduct, meeting deadlines, and effective communication with mentors and team members.

Continuous Learning: Proactive learning of new skills and technologies, seeking guidance and feedback when required.

Compliance with Company Policies: The Intern shall strictly adhere to all Company policies, rules, regulations, codes of conduct, and operational guidelines as amended from time to time. Non-compliance may result in disciplinary action, including termination of the internship.

Acceptance of Terms and Conditions: By accepting this offer, the Intern agrees to abide by all terms and conditions set forth in this letter and any additional policies communicated by the Company during the tenure of the internship.

Professional Conduct Requirement: The Intern is expected to maintain the highest standards of professionalism, integrity, confidentiality, and ethical behavior in alignment with corporate practices.

Please indicate your acceptance of this internship offer by signing and returning a copy of this letter by **15/02/2026**.

We are excited to welcome you to our Software Web Development Program and look forward to supporting your growth and development as a web developer.

Sincerely,

NARENDRA SINGH
