

06/06/2024

Dear Sharif,

We are thrilled to extend an invitation for you to join **The Contractum** as an intern in our “Software Web Development internship program”. This program is designed to provide hands-on experience and mentorship in the field of software development live project, with a focus on web technologies. We believe that your passion for learning and your dedication will make a valuable contribution to our team.

Position: Software Web Development Project Intern Duration: [10/06/2024] to [10/09/2024] [Location: Online]

Program Overview:

Our unpaid internship program is structured to provide interns with practical experience and the opportunity to develop skills in software web development live project. Compensation will be based on performance, with the potential for future employment opportunities based on demonstrated abilities and company needs but interns are not entitled to claim for it.

Key Components:

1. **Mode of Internship:** Mode of internship is online.
2. **Mentorship:** You will be paired with an experienced mentor who will guide you through various projects and provide feedback on your work.
3. **Training:** You will have access to online trainer and other guidance and digital resources to enhance your understanding of web development technologies, including but not limited to HTML, CSS, JavaScript, and frameworks like React or Angular. You will also receive the training to prepare the drafting of the web portal.
4. **Hands-on Projects:** You will work on real-world projects under the supervision of your mentor, allowing you to apply your skills and gain practical experience.
5. **Collaboration:** You will collaborate with other team members on projects, fostering a supportive learning environment and gaining exposure to industry-standard practices.
6. **Performance Evaluation:** Your progress and performance will be evaluated regularly, and feedback will be provided to help you improve and grow in your role.
7. **Potential for Employment:** Exceptional interns may be considered for future employment opportunities with [Your Company Name], depending on business needs and performance during the internship period.

Expectations:

- **Commitment:** You are expected to commit (**Number of hours: 20 hours**) per week to the internship program.
- **Diligence:** You are expected to approach your work with diligence and professionalism, meeting deadlines and communicating effectively with your mentor and team members.
- **Continuous Learning:** You are encouraged to take initiative in learning new skills and technologies, seeking guidance and feedback as needed.

Please indicate your acceptance of this internship offer by signing and returning a copy of this letter by [Deadline: 10/6/2024].

We are excited to welcome you to our Software Web Development Program and look forward to supporting your growth and development as a web developer.

Sincerely,
Narendra Singh
